**OPPORTUNITY INVESTMENT COMPANY LIMITED**  
**REPORT OF THE DIRECTORS FOR THE YEAR ENDED 31 DECEMBER 2023**

The Directors are pleased to submit their report together with the audited financial statements of Opportunity Investment Company Limited for the year ended 31 December 2023.

**Principal Activity**

The Company was incorporated on 13 January 2006 as a private company limited by shares. Its principal activity is investment holding. The Company obtains funds from its investors for the purpose of providing those investors with investment management services and commits to its investors that its business purpose is to invest funds solely for investment income.

**RESULTS**

	<b>2023</b>	<b>2022</b>
	<b>SCR</b>	<b>SCR</b>
Retained earnings brought forward	28,386,137	34,225,087
(Loss)/profit for the year	1,196,093	(4,677,277)
Increase in fair value of associates	3,863,130	-
Profit available for distribution	33,445,360	29,547,810
Dividends	(1,216,346)	(1,161,673)
<b>Retained earnings carried forward</b>	<b>32,229,014</b>	<b>28,386,137</b>

**Dividend**

Dividend amounting to SCR 12,163.46 per share was declared and paid during the year under review (2022: SCR 11,616.73).

**Statement of the Directors' Responsibilities**

The Directors are responsible for the overall management of the affairs of the Company including its operations and the making of investment decisions.

The Directors are responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards for SME's and in compliance with the Companies Act, 1972. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies that fall within the accounting policies adopted by the Company as a whole; and making accounting estimates that are reasonable in the circumstances. The Directors have the general responsibility of safeguarding the assets owned by the Company. The Directors consider they have met their aforesaid responsibilities.

The company adopted International Financial Reporting Standards for SME's because the company has a very simple structure, and the application of Full International Financial Reporting Standards would not enhance the relevance, reliability or comparability of information disclosed in any way.

**Directors And Their Interest In The Company**

No directors holding office as at 31 December 2023 had any beneficial interest in the Company's shares at that date and the date of this report.

**Auditors**

The auditors, Pool & Patel have indicated their willingness to continue in office and their re-appointment will be proposed in the next Annual General Meeting in accordance with and subject to the provision of Section 155(2) of the Companies Act 1972.

**Board Approval**

## INDEPENDENT AUDITOR'S REPORT

### OPPORTUNITY INVESTMENT COMPANY LIMITED

#### Opinion

We have audited the financial statements of Opportunity Investment Company Limited set out on pages 4 to 11 which comprise the statement of financial position as at 31 December 2023, the statement of income, and cash flow statement for the year then ended, statement of change in equity and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the company as at 31 December 2023, and its financial performance and cash flows for the year then ended in accordance with International Financial Reporting Standards for Small and Medium-sized Entities (IFRS for SME's) and requirements of the Seychelles Companies Act, 1972.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in Seychelles, and we have fulfilled our other responsibilities in accordance with these requirements.

In common with businesses of similar size and organization, the company's system of control is dependent upon the close involvement of management who are also major shareholders. Where independent confirmation of the completeness of the accounting records was not available, we have accepted assurances from the management that their representations and the company's records accurately reflect all the transactions undertaken during the year.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of management and those charged with governance for the financial statements

Management is responsible for the preparation of the financial statements in accordance with International Financial Reporting Standards for Small and Medium-sized Entities (IFRS for SME's) and requirements of the Seychelles Companies Act, 1972, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's responsibilities for the audit of the financial statements

In preparing the financial statements, management is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so. Those charged with governance are responsible for overseeing the company's financial reporting process.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

## INDEPENDENT AUDITOR'S REPORT (cont...)

### OPPORTUNITY INVESTMENT COMPANY LIMITED

#### Auditor's responsibilities for the audit of the financial statements (cont...)

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.  
The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

ICAEW membership number of the engagement partner responsible for signing this independent auditors' report is 6813446.

# OPPORTUNITY INVESTMENT COMPANY LIMITED

Annual Financial Statements for the year ended 31 December 2023

## Notes To The Financial Statements

---

### 1 General Information

Opportunity Investment Company Limited was incorporated on January 13, 2006 as a private Company limited by shares. The address of its registered office is P.O Box 576, Caravelle House, Victoria, Seychelles.

### 2 Basis of Preparation

These financial statements have been prepared in compliance with the International Financial Reporting Standard (IFRS) for Small and Medium-sized Entities (SMEs) issued by the International Accounting Standards Board. The basis of presentation is consistent with that of prior year. The financial statements are presented in Seychelles Rupees (SCR).

#### *Explicit and unreserved statement of compliance*

The financial statements of Opportunity Investment Company Limited comply with the requirements of the Companies Act 1972 and have been prepared in accordance with IFRS for SME's.

### 3 Significant Accounting Policies

#### a) Financial instruments - initial recognition and subsequent measurement

##### *Date of recognition*

Purchases or sales of financial assets that require delivery of assets within the time frame generally established by regulation or convention in the market place are recognised on the trade date, i.e. the date that the Company commits to purchase or sell the asset.

##### *Initial recognition of financial instruments*

The classification of financial instruments at initial recognition depends on the purpose for which the financial instruments were acquired and their characteristics. All financial instruments are measured initially at their fair value, any directly attributable incremental costs of acquisition or issue, except for financial instrument are measured at fair value through profit and loss, the transaction costs are directly recognised through profit and loss.

##### *Investment in Associate*

Company has elected to measure its investment in associates at fair value through profit and loss, in accordance with IFRS for SME's paragraph 14.9 – All investments in associates are listed on the Seychelles stock exchange (Merj Exchange), thus the fair value is easily determinable at year end.

##### *Other liabilities*

Other liabilities consist of payables and accrued expenses, which is subsequently measured at amortised cost.

#### b) Derecognition Of Financial Assets And Financial Liabilities

##### *Financial Assets*

A financial asset, (or where applicable) a part of a financial asset or part of a group of similar financial assets is derecognised where:

- the rights to receive cash flows from the asset have expired; or
- the Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either:
- the Company has transferred substantially all the risks and rewards of the asset, or
- the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

## OPPORTUNITY INVESTMENT COMPANY LIMITED

Annual Financial Statements for the year ended 31 December 2023

### Notes To The Financial Statements

---

#### 3 Significant Accounting Policies (Continued)

##### b) Derecognition Of Financial Assets And Financial Liabilities (continued)

###### *Financial liabilities*

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. Where an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognised in profit or loss.

##### c) Impairment Of Financial Assets

The Company assesses at each reporting date whether there is any objective evidence that a financial asset or a group of financial assets is impaired. A financial asset or a group of financial assets is deemed to be impaired, if and only if there is objective evidence of impairment as a result of one or more events that has occurred after the initial recognition of the asset and that loss event (or events) has an impact on the estimated future cash flows of the financial asset or the group of financial assets that can be reliably estimated.

Evidence of impairment may include indications that the borrower or a group of borrowers is experiencing significant financial difficulty, default or delinquency in interest or principal payments, the probability that they will enter bankruptcy or other financial reorganisation and where observable data indicate that there is measurable decrease in the estimated future cash flows, such as changes in arrears or economic conditions that correlate with defaults.

##### d) Cash and Cash Equivalent

Cash and cash equivalents comprise of cash on hand, bank balances, and short-term deposits with an original maturity of three months or less.

##### e) Revenue recognition

Dividend income is recognized when the Company's right to receive the payment is established, which is generally the last date of trade of the share. (Due to the fact that all current investments are listed).

##### f) Related Party

Related parties are parties with control or significant influence over the reporting entity and parties controlled or significantly influenced by the reporting entity. It can be corporate or individuals.

##### g) Capital Contribution

Owners may make a contribution to the entity by transferring cash or through the provision of interest-free loans. Contributions from the owners in their capacity as owners of the entity are distinguished from transfers that arise from trading activities in the normal course of business. The contributions are non-reciprocal in nature. Non-reciprocal transfers involve the giving of assets or services, or liabilities forgiven, without the transferee being obliged to give something of benefit in exchange.

#### 4 Significant Accounting Judgments, Estimates and Assumptions

Estimates and judgements are continuously evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The Company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. There were no estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.
